The Siebs Banquet Facility, through many years of service and experience, take pride in all of our area schools. We also take pride in providing first class services to our community's school and sport organizations so they can come together and be honored for their seasons of school years accomplished. Here at Siebs Banquet Facility we have developed our school banquet menu that offers what our young people enjoy at a good value. We also try to make it as simple as possible for you , yet still make it a banquet to remember.

Sincerely,
Sonny and Judy Siebert
